### RJC CERTIFIES PG DIAM BVBA

LONDON - RJC announced today that PG Diam BVBA has achieved Certification against the 2013 Code of Practices (COP) at its Trading Office in Antwerp, Belgium. The 2013 COP was released in November 2013.

"It is a pleasure to announce PG Diam BVBA has been certified against the 2013 COP. The new provisions under the 2013 COP address important issues for our Members and their supply chain. We are delighted to see Members achieving Certification against the standard and warmly congratulate PG Diam BVBA," says Andrew Bone, RJC's Executive Director.

The successful verification assessment was led by Stefaan Beirens from Figurad Bedrijfsrevisoren, one of the independent third-party auditing firms accredited by the RJC.

"PG Diam BVBA is proud to have achieved RJC Certification. This RJC Certification confirms that our convictions of responsible business practices and ethics are in line with those of the RJC. This will also help us to consistently meet and exceed our customer expectations by following professional, ethical and fair business practices by adhering our company norms. It allows companies like us and the other members to stand out in our industry and build consumer confidence," says Rakesh Nayani, Director of PG Diam BVBA.

#### About RJC

The Responsible Jewellery Council is an international not-for-profit standards and certification organisation. It has more than 600 Member companies that span the jewellery supply chain from mine to retail. RJC Members commit to and are independently audited against the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence. The RJC's Chain-of-Custody Certification for precious metals supports these initiatives and can be used as a tool to deliver broader Member and stakeholder benefit.

The RJC is a [Full Member of the ISEAL Alliance](#) – the global association for sustainability standards. For more information on RJC Members, Certification, and Standards please visit [www.responsiblejewellery.com](http://www.responsiblejewellery.com)
